Lawrence, KS 66044

Dear Mr. Corliss,

I am writing to you as the volunteer Co-Chair of the American Heart Association's 2012 Go Red for Women events in Lawrence. In an effort to raise awareness for cardiovascular disease prevention, we are encouraging local businesses to *Go Red* during the month of February 2012.

The American Heart Association and the Go Red for Women of Lawrence Committee would like to request from the City of Lawrence to place red ribbons on the light posts on Massachusetts Street during the month of February, 2012. This effort will coincide with National Wear Red Day on February 3rd. Our committee volunteers would purchase and place the ribbons. Can you please forward our request to the City Commissions for their vote on this issue?

Please let me know if I can provide you with any additional information.

Sincerely,

Kirsten Flory
