

SITE PLAN CHECKLIST

Application Requirements

All application materials must be submitted in both print and electronic format, on disc.

If you are unable to provide the materials in electronic format please contact the Planning Office at 785-832-3150.

This checklist has been provided to assist you, the applicant, as you prepare your application. Submission of less information than necessary to adequately review and process your application will delay the review process.

The applicant shall meet with Planning Staff at least seven (7) working days prior to submittal of the application.

Planning Staff will determine the completeness, accuracy, and sufficiency of the application within five (5) working days of submission. Incomplete applications will be returned to the applicant.

The submitted site plan shall conform to the following application requirements of Article 13, Section 20-1305(f).

Pre-Application Meeting

Pre-Application Meeting. The applicant shall meet with Planning Staff at least seven (7) working days prior to submittal of the application.

Pre-submittal Date December 7, **2011**.

Planner's Name Dan Warner & Mary Miller

Target Submission Date December 21, **2011**.

Fee \$50.00

During the meeting Planning Staff will assist the applicant to determine if the following items are required with the site plan application:

- Traffic Impact Study, complete or first 7 steps; in print (3 copies) and electronic format.
- Drainage Study, in print (2 copies) and electronic format.
- Stormwater Pollution Prevention Plan (SWP3), in print and electronic format.
- Market Study, in print (2 copies) and electronic format.
- Downstream Sanitary Sewer Analysis (DSSA), in print (2 copies) and electronic format.
- A photometric plan, pursuant to Sec. 20-1103(c), shall be required for site plan approvals. Light sources shall be shielded to prevent point source glare from adjacent properties or Streets, in print and electronic format.

General Site Plan Submittal Requirements

❖ Application Form, in print and electronic format (on disc)

- A complete Application Form. (Site Plan Application, 3 pages)
 - Page 1 – Contact information property summary
 - Page 2 – Description of project
 - Page 3 – Signature page

**PUBLIC NOTICE REQUIREMENTS
Site Plan Instructions**

The applicant is responsible for public notice of a proposed site plan. Complete the following notification procedures then submit the completed forms and certificates listed below as part of the site plan application materials. Failure to provide proof of notice will result in a determination of an incomplete submission.

Public notice includes:

- The posting of signs in accordance with Section 20-1301(q)(4). Signs are provided by the City. The applicant shall be responsible for posting of such signs.
- Written notice to all property owners within 200', as according to Section 20-1305(g)(1).
- To all Registered Neighborhood Associations whose boundaries include the subject property or are adjacent to the neighborhood the subject property is located in, as according to Section 20-1305(g)(1).

The following forms shall be attached to any Site Plan Application requiring public notice:

- 1. Certified list from the Douglas County Clerks Office of property ownership of all adjacent owners no more than 30 days old, as according to Section 20-1301(3)(iii);**
- 2. Property Ownership List Certification Form**
- 3. Certificate of Mailing Form**
- 4. One copy of sample letter mailed to adjacent property owners.**

Procedures for Public Notice of a Proposed Site Plan – Sign Posting

Signs are provided by the city. The applicant shall be responsible for posting of such signs. Signs shall be posted following a determination of completeness of an application within 5 working days after submission (section 20-1301(g)(2)). Signs shall remain posted through the duration of the review period (typically 30 days, section 20-1305(h)). The applicant shall remove the signs within 10 working days of the date the decision-making body takes action or the date that the application is withdrawn. Failure to properly post or maintain such signs is grounds for deferral or denial of the application (section 20-1301(q) (4) (vii)).

Procedures for Public Notice of a Proposed Site Plan –

Written Notification to: Property owners within 200' and Registered Neighborhood Associations.

1. Written notice of the proposed site plan shall be mailed to the Owners of record for property within 200' of the subject property, in accordance with Section 20-1305(g)(1), **and**
2. Written notice of the proposed site plan shall be mailed to all Registered Neighborhood Associations whose boundaries include the subject property or are adjacent to the neighborhood the subject property is located in, in accordance with Section 20-1305(g)(1).
 - Registered Neighborhood Associations are defined as a neighborhood or local interest group that represents a defined are of the city and that has registered with the Planning Director in accordance with the applicable registration procedures of the Planning Director. A list of Registered Neighborhood Associations can be found on the City's Web site www.lawrenceks.org/pds/neighborhoodcontacts or by calling Development Services at 832-7700.
3. The notice shall be sent by the applicant via regular mail, postage pre-paid.
4. The applicant shall submit a **Certificate of Mailing** (*attachment to the application form*) at the time of submission of the Site Plan application.
 - An application for Site Plan Review will not be considered complete without an executed Certificate of Mailing.
5. Per Section 20-1305(g) the written notice shall provide:
 - a. a brief description of the proposed development activity;
 - b. the projected date for construction of the proposed use;
 - c. the person, with contact telephone number and address, designated by the applicant to respond to questions concerning the proposed site plan;
 - d. the date the site plan application will be submitted to the Planning Director for review; and
 - e. a statement with substantially the following information:

Notice of Site Plan Review Pending Before the Lawrence-Douglas County Planning Director

This letter is being sent to the Owner of property within 200' of, or a Registered Neighborhood Association encompassing, the proposed development described further in this letter. It is being sent for the purpose of informing the notified person and other interested parties about the proposed development. This letter is being provided solely to advise nearby landowners of the pending proposed development. This letter does not grant the recipient and/or landowners any additional rights to challenge this proposed development beyond those granted as part of the normal appeal process. For further information, contact the applicant's designated representative at (xxx) xxx-xxxx or the Lawrence-Douglas County Planning Office at (785) 832-3150.

Note: The failure to *receive* notice of Site Plan Review by an adjoining Landowner or Registered Neighborhood Association will not affect the validity of site plan approval or review.

**SIGN POSTING
PROCEDURES AND AFFIDAVIT**

*Sign posting is not required for site plans on property that is outside the city limit

Sign Posting Procedures:

The applicant is required to post one or more notification sign(s) on the property. The applicant is responsible for obtaining the sign(s) from the Planning Office of Lawrence/Douglas County, Kansas and for posting and maintaining the sign(s) as prescribed below:

1. When the provisions of the Development Code require that "Posted Notice" be provided, the applicant shall ensure that notice is posted on the subject property.
2. Posted notice shall be in the form of official signs provided by the Planning Office.
3. Posted notice shall be clearly visible to neighboring residents and passers-by from each public street bordering the subject property. At least one sign shall be posted on each street frontage. The Planning Director is authorized to require the posting of additional signs when deemed necessary for effective public notice, but not more than one sign per 300 feet of Street Frontage may be required, as according to Section 20-1301(q)(4)(iii).
4. Posted notice shall remain in place for at least **20 days before** the public hearing, meeting, or date of action that is the subject of the notice, as according to Section 20-1301(q)(4)(iv).
5. During the required notice period, the applicant shall periodically check the condition of the sign and shall replace it if it is no longer legible for any reason, whether through act of God, vandalism, defect in installation or vegetative growth.
6. For any application requiring posted notice, the applicant shall supplement the application with an affidavit of posting and notice. **Failure to make timely delivery of such affidavit to the Planning Director shall render the application incomplete.**
7. The applicant shall **remove notice signs** required by this section **within 10 days** of the date that the decision-making body takes action or the date that the application is withdrawn, as according to Section 20-1301(q)(4)(vii).
8. Failure to properly post or maintain such signs is grounds for deferral or denial of the application
9. For applications that do not abut public streets, the Planning Director is authorized to approve an alternative form of posted notice that will be visible to passers-by.

Sign Posting Affidavit

THE FOLLOWING AFFIDAVIT SHALL BE COMPLETED IMMEDIATELY UPON RECEIVING NOTICE OF DETERMINATION OF COMPLETENESS OF A SITE PLAN APPLICATION. Failure to make timely delivery of such affidavit to the Planning Director shall render the application incomplete and subject it to removal from the review cycle.

IN WITNESS THEREOF, I, the Undersigned, have set my hand and seal below.

I, J. Dean Grob (printed name), hereby state that I have received a copy of the Sign Posting Procedures and that the required sign(s) has/have been or will be posted and maintained as prescribed in the Sign Posting Procedures.

PROPERTY OWNERSHIP LIST CERTIFICATION

As required by Article 13, Section 20-1301(q) of the Development Code, the applicant is responsible for providing certified Ownership information (including names and mailing addresses) of all real property owners within a defined radius from the subject property. The Planning Department is required by the Development Code to use the submitted Ownership list to mail notice of the public hearing to surrounding property owners regarding this Application.

Ownership Information

The applicant is responsible for providing certified Ownership information. Current Ownership information shall be obtained from the Douglas County Clerk. Ownership information will be considered current if it is **no more than 30 days old** at the time an application is submitted to the Planning Department.

Radius of Notification

The Ownership list shall include the record Owner of the subject property and all Owners of property located within 200 feet of the subject property. If the subject property is adjacent to the City limits the area of notification shall be extended to at least 1,000 feet into the unincorporated area.

A map of the "Radius of Notification" can be obtained **at the Applicant's request** at the Planning Office. The map indicates ownership of each property and can be used to check the accuracy and completeness of the Ownership List. The map will be supplied **at the Applicant's expense. Allow 10 business days** to receive the map.

THE FOLLOWING IS TO BE COMPLETED AND SUBMITTED BY THE APPLICANT.

I certify that I have read and understood the above information and that the submitted Ownership list:

1. was a) obtained from and b) certified by the Douglas County Clerk,
2. is current (**no more than 30 days old**), and
3. includes all property owners within the required notification radius of the subject property.

SITE PLAN APPLICATION

**DETERMINATION OF COMPLETENESS, ACCURACY, AND SUFFICIENCY
(Completed by Staff)**

The following items apply to site plan applications. Submission of less information than necessary to adequately review and process your application may delay the review process. The following submittal requirements will be deemed either fully completed and Provided (P) or Not Provided (NP) by the applicant.

Pre-Application Meeting

P NP

- 1. Pre-Application Meeting. The applicant shall meet with Planning Staff at least seven (7) business days prior to submittal of the application. During the meeting Planning Staff will assist the applicant to determine if the following items are required:
 - a. Traffic Impact Study, three (3) copies. (If required.)
 - b. Drainage Study, two (2) copies. (If required.)
 - c. Market Study, two (2) copies. (If required.)
 - d. Downstream Sanitary Sewer Analysis, two (2) copies. (If required.)
 - e. Area Plan. (If required.)

General Submittal Requirements

- 2. A complete application form.
- 3. Payment of review fee.
- 4. Owner Authorization form if applicant is not the legal owner of the property.
- 5. Site Plan, 2 copies, folded to a size of 8.5" by 11" in size, image side out, and one copy in electronic format (PDF or TIF preferred).
- 6. General Location Map showing the location of the property to at least one intersection of two streets shown as collector or arterial streets on the City's Major Thoroughfares Map of the Comprehensive Plan (at a scale no less than 1:50 or a size of less than 8.5" by 11").
- 7. Legal description of the property in print and electronic (Microsoft Word) formats.
- 8. A list certified by the City Clerk of all property owners within 200' of the subject property.
- 9. Ownership List Certification form.

Requirements for Public Notification

- 10. Sign must be posted at least 20 business days prior to notice of decision (i.e. site plan may not be approved until at least 20 days following sign posting).
- 11. Submit Sign Posting Procedures and Affidavit form at least seven but no more than ten days before the public hearing.

Other Requirements

- 12. Drawings and data necessary to demonstrate that the proposal is in general conformance with the Comprehensive Plan.
- 13. Verify the existence of and notify all registered Neighborhood Associations whose boundaries include or are contiguous to the subject property. (To be completed by Staff).
- 14. The submitted site plan shall meet the following specifications:
 - 1. Provide 2 copies and one copy in electronic format (PDF or TIF preferred).
 - 2. Folded to fit in an 8.5" by 11" envelope, image side out.
 - 3. Additional Plans and an 11" by 17" reduction may be requested prior to completion.

Determination Of Completeness, Accuracy, and Sufficiency

I have reviewed the site plan application submitted by:

Name: _____ Date: _____

Application No. _____

Based upon the submitted information, I find the application to be:

- Complete (based upon the items reviewed)
- Incomplete, inaccurate, or insufficient (circle) for the following reasons:
 - The application or plan contains one or more significant inaccuracies or omissions that hinder timely or competent evaluation of the plan's/application's compliance with Development Code standards.
 - The application contains multiple minor inaccuracies or omissions that hinder timely or competent evaluation of the plan's/application's compliance with Development Code standards.
 - The application or plan cannot be approved without a variance or some other change or modification that the decision-making body for that application or plan does not have the authority to make.
 - Other

Planner _____

Consult the chart below for additional site plan drawing requirements.

| Site Plan Drawing Requirements | | |
|---------------------------------------|-----------|---|
| ✓ | NA | Section 20-1305(f)(1) |
| | | Be prepared by an architect, engineer, landscape architect, or other qualified professional and show the name, business address and licensing information for that professional in the information block on each sheet |
| | | Be prepared at a scale of one inch equals 30 feet or larger for sites of five or fewer acres and be prepared at a scale of one inch equals 40 feet for sites over five acres |
| | | Be arranged so that the top of the plan represents north or, if otherwise oriented, is clearly and distinctly marked |
| | | Show boundaries and dimensions graphically, and contain a written legal description of the property; identification of a known vertical & horizontal reference mark approved by the city engineer; and, show a written and graphic scale |
| | | Show existing public and private Street system, platted or unplatted Ownership, type and location of Structures, curb cuts on adjacent properties and along the opposite side of the Street |
| | | Show topography extending 100 feet beyond the outside boundaries of the proposed site plan for sites that are not adjacent to existing development and show topography extending 50 feet beyond the outside boundaries of the proposed site plan for infill development sites |
| | | Show the present and proposed topography of the site. For a site on which a Building has previously existed, the site plan shall show field-surveyed spot elevations for at least five points per 10,000 square feet. For a site on which no Building has previously existed, the site plan shall show field-surveyed and verified contour lines at intervals of not more than two feet |
| | | Show the location of existing utilities and Easements on and adjacent to the site including power lines, telephone lines, & gas lines. Show the vertical elevation (if available) and horizontal location of existing sanitary sewers, water mains, storm sewers and culverts within and adjacent to the site. The location of ground mounted transformers and air conditioning units shall be shown on the site plan and such units shall be Screened if visible from the Street or when adjacent to a Structure on an adjoining Lot(s). In any instance, the location of such units shall occur behind the Front and Side Setback lines as set forth in Sec. 20-601 , in the Density and Dimensional Standards Tables; |

| Site Plan Drawing Requirements | | |
|---------------------------------------|-----------|---|
| ✓ | NA | Section 20-1305(f)(1) |
| | | Show, by use of directional arrow, the proposed flow of storm drainage from the site. Provide the supplemental stormwater information required by City Regulations, and provide on the site plan a site summary table which indicates: the area (in sq. ft.) and percentage of the site proposed for development as a Building(s); development as a paved surface; undeveloped and planted with grass, Ground Cover, or similar vegetative surface |
| | | Show the location of existing and proposed Structures and indicate the number of stories, Floor Area, and entrances to all Structures |
| | | Show the location and dimensions of existing and proposed curb cuts, Access aisles, off-Street Parking, loading zones and walkways |
| | | Indicate location, Height, and material for Screening walls and fences |
| | | List the type of surfacing and base course proposed for all Parking, loading and walkway areas |
| | | Show the location and size, and provide a landscape schedule for all perimeter and interior Landscaping including grass, Ground Cover, trees and Shrubs |
| | | Show both Gross and Net public areas for proposed offices and commercial establishments. The proposed use, the required number of off-Street Parking Spaces, and the number of off-Street Parking Spaces shown shall be listed on the site plan. If the exact use is not known at the time a site plan is submitted for review, the off-Street Parking requirements shall be calculated by the general use group using the greatest off-Street Parking requirement of that use group |
| | | Show the proposed location, direction and amount of illumination of proposed lighting. Provide information on Screening proposed for the lighting and steps taken to prevent glare |
| | | Designate a trash storage site on each site plan or a note explaining how refuse removal will be handled. The size of the trash storage receptacle, its location and an elevation of the enclosure shall be approved by the Director of Public Works prior to approval of the site plan. If a modification to the location of the trash storage area is required during the construction phase, both the Planning and Public Works Directors must approve the modification before it occurs |
| | | For CN2, CC and CR Districts, be prepared for all of the contiguous area in that Zoning District under the same Ownership. If the entire site is not proposed for development in the immediate future, then the initial Site Plan application shall contain a proposed phasing schedule, showing which sections of the property shall be developed in which order and showing in which phases the Easements, Driveways, Parking Areas and Landscaping will be included. The review body may require adjustments in the provision of Easements, Driveways, Parking Areas and Landscaping among the various phases as a condition of approval |
| | | Provide at least one north-south and one east-west elevation of the property from the Street right-of-way (property line) at a reasonable scale to illustrate Building shape, Height, and Screening proposed |

| Site Plan Drawing Requirements | | |
|---------------------------------------|-----------|--|
| ✓ | NA | Section 20-1305(f)(1) |
| | | A note shall be provided on the site plan for a public or governmental Building(s) and facility(ies) indicating that it has been designed to comply with the provisions of the Americans with Disabilities Act Accessibility Guidelines (ADAAG) for Buildings and facilities, appendix A to 28 CFR Part 36 |
| | | If the site plan is for a multiple-Family residential Structure containing at least four Dwelling Units, a note shall appear on the site plan indicating it has been designed to comply with the minimum provisions of the Final Fair Housing Accessibility Guidelines, 24 CFR, Chapter 1, Subchapter A, Appendix II, of the Fair Housing Act of 1968, as amended. |

SITE PLAN PERFORMANCE AGREEMENT

The undersigned owners of the property located at _____, and legally described as _____ and project known as _____ have requested approval of a site plan for certain improvements to be made thereon, do hereby agree and covenant that said improvements will be made in complete compliance and in accordance with the requirements of the laws of the City of Lawrence, Kansas, and the duly enacted regulations of said City covering and controlling construction and improvements of real property within the City jurisdiction of said City.

Therefore, in consideration of the granting of this site plan approval, the undersigned owner agrees to, both for himself/or itself and his/or its heirs, executors, administrators and assigns to complete said improvements in accordance with the approved site plan. The owner affirmatively acknowledges that he/or it is fully knowledgeable of the content and meaning of this agreement and being so informed agrees that no permanent utility hook-ups will be approved by the Building Inspector until full compliance with the site plan has been accomplished. The parties to this agreement covenant and agree that the seasons of the year and adverse weather conditions shall be given reasonable consideration in determining the period of time for landscaping, provided that the owners post an appropriate cash bond, surety bond, or letter of credit to cover such landscaping.

If the owner chooses to guarantee performance with this agreement, it will become a note on the face of the site plan and a recordable copy will be filed with the Register of Deeds Office.

**APPROVAL AND EXTENSION TIME PERIOD
LAND DEVELOPMENT CODE
ARTICLE 13**

No action by the City shall be necessary to cause the approval to expire. Its expiration shall be considered a condition of the original approval.

SITE PLANS:

[Section 20-1305(o)(1)]

Approval time period -- Building permit must be obtained within **24 months** of final approval of the site plan or the approval shall expire.

Extension -- Extension of **up to 24 months** may be approved by City Commission for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

SPECIAL USE PERMITS:

[Section 20-1306(k)]

Approval time period -- Building permit must be obtained within **24 months** of the effective date of the decision on the Special Use or the approval shall expire.

Extension -- Extension of **up to 24 months** may be approved by City Commission for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

PRELIMINARY DEVELOPMENT PLAN:

[Section 20-1304(d)(12)]

Approval time period -- Application for a final development plan must be submitted within **24 months** after final approval of the preliminary development plan or within 6 months after the date shown on an approved development schedule or the approval shall expire.

Extension -- Extension of **up to 24 months** or the proposed phasing schedule may be modified to extend all dates by a period up to **one-half the original period allowed for development of that phase** may be approved by City Commission for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

FINAL DEVELOPMENT PLAN

[Section 20-1304(e)(2)(vii)]

Approval time period -- A building permit must be obtained within **24 months** after the final approval of the Final Development Plan or the approval shall expire.

Extension -- Extension of **up to 24 months** or the proposed phasing schedule may be modified to extend all dates by a period up to **one-half the original period allowed for development of that phase** may be approved by City Commission for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

INSTITUTIONAL DEVELOPMENT PLAN

[Section 20-1308(g)]

Approval time period -- A building permit must be obtained within **24 months** after the final approval of the Institutional Development Plan or the approval shall expire.

Extension -- Extension of **up to 24 months** may be approved by the City Commission for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

ZONING VARIANCES

[Section 20-1309(k)]

Approval time period -- A building permit must be obtained within **24 months** after the variance has been granted or the variance will expire. The variance will also expire upon expiration of a building permit.

Extension -- Extension of up to **24 months** may be approved by the Board of Zoning Appeals for good cause shown if written request is made by letter to the Planning Director before the expiration date. Additional extensions may be requested, if necessary.

APPROVAL AND EXTENSION TIME PERIOD SUBDIVISION REGULATIONS

PRELIMINARY PLAT*

[Section 20-809(j)]

Approval time period -- A final plat must be submitted within **18 months** of the date approval of the preliminary plat was granted or by any application due date as shown on an approved phasing schedule or the approval of the preliminary plat shall expire.

Extension -- An extension of **up to one additional year** may be granted by the Planning Commission if the cause of failure to submit a final plat is beyond the subdivider's control.

- * Per Section 20-1304(10) of the Development Code, approval of a Preliminary Development Plan constitutes approval of a preliminary plat. In the case of properties that were platted with a Preliminary Development Plan, the approval and extension dates of the Preliminary Development Plan shall apply. In other words, a final plat must be submitted within **24 months** after the approval of a Preliminary Development Plan, for properties that were platted with a Preliminary Development Plan. The City Commission may approve an extension for **up to 24 months**, for good cause shown if a written request is provided to the Planning Director prior to the expiration date. Additional extensions may be requested, if necessary.

FINAL PLAT

[Section 20-809(n)(5)]

Approval of a Final Plat shall be effective for no more than 18 months from the date of approval unless all conditions of approval have been completed.
