RE: DR-9-151-11; 900 New Hampshire Appeal
Project No. DV11.003.00B

Dear Mrs. Braddock Zollner:

This letter is to request an appeal to the February 16, 2012 Historic Resources Commission determination of the proposed mixed use project at 900 New Hampshire. We are requesting an appeal of the Certificate of Appropriateness Review Decision and the State Law Review (CLG) Decision before the City Commission. We do not need to appeal the Downtown Design Guidelines Review since it was unanimously approved by the HRC.

We are requesting a determination from the City Commission that there is no feasible and prudent alternative to the proposed project and that all possible planning has been undertaken to minimize harm to historic properties.

We look forward to working with you in the near future. Please let us know if there is anything else that you will need from us from regarding this appeal.

Sincerely,
