10. "No Smoking" signs must be posted and enforced.
11. No open flame within the tent.
12. Per Fire Code, tents over 200 sq. ft. must be located further than 20' from buildings or structures.

STAFF REVIEW

A Temporary Special Event Permit has been requested to allow for the exterior portion of the Eagles property at 1803 W 6th Street to be used for a fundraiser BBQ cook-off. The applicant, the Fraternal Order of Eagles #309, indicated that this is a fundraising event.

Article 15 of Chapter 6 of the City Code regulates Temporary Special Events. Per Code, a Type 1 Special Event Permit [fundraising or non-commercial events for nonprofit religious, education or community service organizations] do not require a Special Event Permit if they meet certain criteria. One criterion is that the event be restricted to operating between 8 am and 9 pm. As the BBQ cook-off proposes to be operating past 9 pm a Special Event Permit is necessary.

The proposed event will occur on June 1st and 2nd. The cooking will start at 2pm on June 1st and continue through the night and into the morning of June 2nd. The cook-off will be open to the public from Noon-3pm on June 2nd. The applicant has indicated a limit of 20 BBQ competitors will be allowed to participate in the cook-off.

The public portion of the cook-off will include food and beer sales. The food tables and beer garden area will be fenced off from the rest of the property. The applicant is also seeking a Temporary Alcohol License.

The property has ample parking available. The parking will be separated from the cooking and eating areas.

The subject property is developed with the Eagles Lodge which was approved with a Use Permitted upon Review [UPR-4-3-90] in 1990. The Special Event Permit request was forwarded to the various City Departments for review who indicated they had no concerns with the event. The applicant will be required to provide a 20' clear access path to the rear of the building to the temporary fence and also to the front of the building.

Any signs associated with the event must be compliant with the sign regulations. Approval of this Special Event does not include sign approval. A separate application for signs should be made to the Development Services as applicable to the event.

The event should have no, or very minimal, negative impact on neighboring properties as the Order of the Eagles has adequate parking and the public portion of the event will take place for three hours during the daytime.
