**Re: City of Lawrence's intent to annex approximately 146 acres, plus adjacent public rights of way, which is within the certified territory of Westar Energy**

Dear Chad:

I am writing to inform you that it is the City's intent to annex approximately 146 acres, plus adjacent public rights-of-way, located generally at the northwest corner of West 6th Street and K-10 Highway. The legal description of the land to be annexed is enclosed herewith as Exhibit A. I am also enclosing, as Exhibit B, a map identifying the tracts of land constituting the proposed annexation for your convenience.

The land proposed to be annexed is, as defined by K.S.A. 66-1,176, within the certified territory of Westar Energy. After development, it is the City's intent that Westar Energy supply electricity to the site in accordance with its existing franchise agreement with the City.

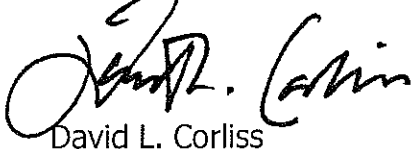

At the present time, the proposed annexation will be presented to the Lawrence-Douglas County Planning Commission at its April 23, 2012, regular meeting. It is anticipated that the annexation will go to the City Commission in May, 2012. If the annexation is approved, then it would be effective in early June, 2012.
