RE: DR-9-151-11; 900 New Hampshire Appeal
Project No. DV11.003.00B

Dear Mrs. Braddock Zollner:

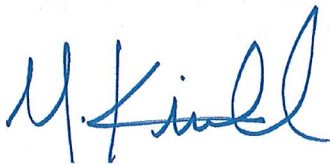

This letter is to request an appeal to the April 30, 2012 Historic Resources Commission determination of the proposed mixed use project at 900 New Hampshire. We are requesting an appeal of the State Law Review (CLG) Decision before the City Commission.

We would also like to formally withdraw our request for the previously submitted plans that showed a five story building with a six story restaurant on the corner. We do not anticipate proceeding further on that appeal at the present time.

We are requesting a determination from the City Commission that there is no feasible and prudent alternative to the proposed project and that all possible planning has been undertaken so that there is no harm to the adjacent historic district.

We look forward to working with you in the near future. Please let us know if there is anything else that you will need from us from regarding this appeal.

Sincerely,

Micah Kimball
