LAWRENCE, KS**

Petition for Annexation

It has come to the attention of residents in the subdivision located directly south and east of the county property located at 1742 E. 1350 Rd. (Plat# 800137-03 and PIN 066-24-0-40-02-004.00-0) in Douglas County KS (property in question) that the resident of the property in question is engaging in the discharge of firearms into targets composed of hay bales. These "targets" are in the direct line of residential property that lies within Lawrence, KS (the city).

The property in question is surrounded on 3 sides by residential property – eight (8) in the city and one (1) county residence. Several of the properties have children in residence. One of the properties is also the site of an in-home daycare.

With so many residences within feet of these so-called targets, we feel this is a matter of public safety. Because this property is so close the city limits, this issue is not only a matter of concern for Douglas County, but for the City of Lawrence as well.

It is our desire that we the undersigned, on the 14th Day of August 2012, do request that the county property located at 1742 E. 1350 Rd. in Douglas County, KS be annexed into the city of Lawrence, KS.
