Re: Sports Village Project

Dear David:

As you know there are a number of documents that are still being negotiated among the City and other parties to this transaction that include substantive issues. The first draft of the Donation Agreement was received from the property owner's counsel on Wednesday, August 29th.

As your counsel, it is my opinion at this time that the documents are not ready for public discussion. We need to have the documents in substantially final form before presentation to the City Commission for discussion and consideration.

Therefore, it is my recommendation that the City Commission conduct their land use discussion on Tuesday, September 4th regarding the proposed site. I would then suggest that the City Commission set Tuesday, September 18th as the date for discussion and consideration of their various documents.

I will be present for the City Commission meeting on Tuesday, September 4th to answer any questions regarding the status.

Sincerely,

Gary A. Anderson
