Re: City Commission Minutes of September 18, 2012

Dear Mayor Schumm:

I have recently reviewed the City Commission minutes from the meeting of September 18, 2012. I am requesting clarification of my comments regarding the Regular Agenda Item No. 3, the update to the proposed City recreation center and Sports Village, on page 5 of the minutes. Currently the second sentence of my presentation reads, "They are in support of this." The reference to "this" is unclear and should be accurate. I would appreciate it if you would change that sentence to accurately reflect what I said at the meeting, which was, "**They are in support of a regional recreation facility.**"

Thank you in advance for correcting these minutes to accurately reflect what I said. If you have any questions about this request, please do not hesitate to contact me.

Sincerely,

BARBER EMERSON, L.C.
