Count Question Resolution Office
Decennial Management Division
4600 Silver Hill Road Washington, DC 20233

Dear Census Bureau:

On behalf of the City of Lawrence, Kansas and its citizens, I am writing to request consideration from the Count Question Resolution Office regarding the housing and population counts of the 2010 Census. As Mayor, I am the highest elected official and make this request to certify that the data included in the request is valid. The City requests that your office consider the evaluation of the attached maps and data files for which our staff has found housing and, therefore, corresponding population counts, from the 2010 Census that appear to be in error. This challenge is being submitted to dispute the count of living quarters within 10 census tabulation blocks within the City of Lawrence.

If you have further questions, please feel free to contact Amy Miller, Long-Range Planner (785-832-3166 or amiller@lawrenceks.org) or David Guntert, GIS Planner (785-832-3158 or dguntert@lawrenceks.org).

Sincerely,

Robert J. Schumm
Mayor
