RE: City Manager Report – Sidewalk gaps completed along 23rd St., between Massachusetts St. and Iowa St.

Street Division crews have recently completed 665 feet of new sidewalk (gaps) along sections of 23rd St. as part of an effort to enhance pedestrian connectivity. This area of Lawrence has a lot of pedestrian traffic.

Internal Street Division crews install approximately 200 to 300 feet of sidewalk each year as part of an ongoing effort to eliminate “gaps” of sidewalk along major roadways.
