**Subject:** Granada permit

I would like to write in support of the permit that the Granada is requesting for their anniversary event. As a Massachusetts street resident and shop manager, I feel it is a great event for our area. Please consider Mike's request. Thanks, Susan Shea

Hi Jonathon! I'm sorry that I wasn't able to get a note sent your way last week. I wanted to say that I'm all for the Granada shutting down part of Mass Street for their movie event next week. I think it sounds like a lot of fun and would be a great event for Lawrence and downtown.

Thanks, Caroline

**Subject:** granada movie event

Hi. I received the letter concerning the Granada movie event. I own fortuity at 809 mass and I am against closing the streets and losing apprx. 100 parking spots. The idea sounds like a fun event for Lawrence but something that should be held in the city park where it will not affect the businesses downtown. The question I have to ask myself is if this is allowed what is to stop a business from having a large party free to the residents or another function that another business thinks is a great idea and it is really is not a good idea. It is opening up a can of worms that will bring many problems for the future of downtown. How can you grant one business owner a yes and one a no? Who is to say what is a good idea and what is a bad idea. The bottom line is that this will not help all the other local businesses of downtown. This will hurt all the local retailers and restaurants the evening of this event. The parking spots are extremely important to all businesses downtown every day and every evening. This function should be held elsewhere in Lawrence. Thank you for your time. Carolyn Richmond

We have no issue with the closing of the 1000 block of Massachusetts Street for Granada movie event on 9/26/13 unless the Granada plans to sell any alcoholic beverages. No alcohol should be sold on our property that is adjacent to the Granada.
