Mr. Nguyen came in and paid the \$250.00 fee for his DE license, plus the \$25.00 returned check fee. He supplied copies of his KS DE license and his liquor excise tax returns. He has now met all requirements for his DE license. It will be placed on the 4/22/14 agenda for CC approval.

He still owes a 2nd payment on his sidewalk dining renewal. I informed him we won't issue that license until we have the fee. He said he should have the money next week.

Diane is out today but I just had a call from Mr. Nguyen. He said he got a letter from the City that said he needed to provide copies of his license. He claimed he sent it to Diane via email but said he would email it to me. He said he was come up this afternoon to make a payment for the drinking establishment license. He also said he couldn't afford the sidewalk dining license payment until next week.

Anything I should know before he shows up?

Hi Brian

We received a half payment for Shot's sidewalk dining license. However, Jason came in today to apply for his drinking establishment license and could only pay half of that too. Jason said he would pay the other half on Monday, March 3rd.

Have we received half the payment?

Jason agreed to pay half by February 21st with the remaining balance to be paid by March 14th.

I directed him to the City Clerk's office for payment submittal.
