

Memorandum

To Leah Morris, P.E.
Project Engineer; Department of Utilities

From Christopher M. Storm, P.E.

Subject Project No. UT1210CS (Bid No. B1421) – Bid Opening Results and Recommendations
Bob Billings Parkway East of K-10 Highway Sanitary Sewer Improvements – Contract 1
Bob Billings Parkway East of K-10 Highway Waterline Improvement – Contract 2

Date May 1, 2014

Project Details: This project includes the construction of approximately 1,100 feet of 12 inch sanitary sewer and 430 feet of 12 inch waterline necessary to be relocated prior to the construction of the K-10 Highway and Bob Billings Parkway interchange (KDOT Project No. 10-23 KA-1826-01). These sanitary and waterline improvements are also necessary to serve Langston Heights, currently under construction, and the proposed Langston Commons projects.

Project Status: Engineering design has been approved by Department of Utilities. Kansas Department of Health and Environment has issued the Sewer Extension Permit and authorized discharge of stormwater runoff from construction activities under the NPDES.

Bid Results: On April 29, 2014, the City of Lawrence opened sealed bids from four contractors for the Bob Billings Parkway East of K-10 Highway Sanitary Sewer and Waterline Improvements. Below are the bid results with additional information attached.
