Dear Scott:

With reference to our letter of April 29, this is to amend the request for an increase of the occupancy limit of the Lawrence Community Shelter during cold weather (defined as 32 degrees or below) to be from 125 to 140 rather than to 160. This would be an amendment to Ordinance No. 8500 (SUP-1-3-10) and a change to the note on the face of the plan.

Please let Steven Robinson at 785-341-6170 (c) know if you need any further information for this application. Thank you for your consideration.

Very truly yours,

Steven Robinson
Director
