Dear David:

The United Way has a request for temporary signs to bring to your attention, all in relationship to our annual campaign. We are asking for these signs to be considered "signs of community interest."

The United Way wishes to display banners which say "United Way Helps Here" at 19 of our Community Partner Agency locations. We would like to begin displaying the signs on September 15 and continue through the United Way campaign until December 12.

The vinyl banners are 5 ft. by 3 ft., and displayed on the outside of United Way Community Partner buildings. See the attachment for a list of the locations.

The purpose of this effort is to educate the general public about where United Way funded services are located in the community and also to call attention to the United Way campaign while it is in progress.

Thank you very much for your consideration of this request. If you have additional questions or concerns, please call me.

Sincerely,

Colleen Gregoire
Vice President / Campaign Director
