Dear Mayor Amyx,

The Lawrence Home Builders Association requests exemption from Section 5-705.1 of the Sign Ordinance for the annual Lawrence Home Show, February 20 – 22, 2015.

We would like to place event signs at a few key intersections on South Iowa Street and in front of the businesses of Home Show exhibitors who have given us permission. The signs are planned to be 24" X 36" in size with wire posts to secure them in the ground. The signs would be placed Monday, February 16, and removed Monday, February 23.

The signage continues to be important as we are trying to establish the Home Show's location at 3430 S. Iowa Street to be consistent and familiar. The Home Show has approximately 70 displays featuring home related products and services. The purpose of the Home Show is to provide the community an opportunity to view the latest in home building products, services, and trends and visit with those who provide home-related products and services. Last year, we had nearly 2,200 visitors at this community event.

Thank you for your consideration of the requested exemption from the Sign Ordinance. If you have any questions regarding our upcoming event, please contact me.

Sincerely,

Bobbie Flory
Executive Director
