

DADDY DAUGHTER DATE NIGHT "SWASHBUCKLIN'" SUCCESS

Saturday, March 7, Douglas County Fairgrounds saw a whole crew of pirates show up for Daddy Daughter Date Night. More than 100 dads and daughters arrived. Participants ate barbeque provided by Dickey's Barbeque, then played pirate-themed games and received airbrushed tattoos. A silly photo booth was available for pictures. For dessert they plundered cake before the dance got in to full swing. Dads and daughters alike had fun dressing up and cutting a rug to all sorts of songs. Before the night was out, the limbo stick was even brought out and everyone joined in the fun. The Baker University Dance Squad volunteered and assisted with the event.
