RE: HERE Kansas  
Lawrence, KS  
SCC Job No. 14-2011-0

Dear Mark:

Due to the unusually wet spring we are looking to make up for lost time by making larger concrete pours. This will require larger concrete pump trucks which is not an issue, with the exception of the two pours on the north end of the project at both the 2nd and 3rd floor levels. Stevens Construction would like permission to close 11th Street from the hours of 10:00 p.m. to 6:00 a.m. on July 23, 2015 and August 27, 2015. Please advise if this is acceptable.

Thank you in advance for you consideration.

Sincerely,

Jeff Johnson  
Sr. Project Superintendent
