DEPARTMENT / DIVISION PROFILE

The Legal Services Department is made up of three divisions: City Legal Services, the Municipal Court and the Prosecutor's office.

The City Legal Services Division prepares and reviews ordinances and resolutions relating to a variety of issues in the city. The division drafts and assists in negotiation of legal documents including contracts, deeds, leases, and easements. The division also conducts legal research and provides legal guidance to City staff and the Commission when necessary. The City Attorney defends the City in claims and suits.

Significant Issues for 2005 - The increase in Personal Services for 2005 can be attributed to merit increases for eligible employees, a 2% general wage adjustment, and implementation of the Primary Pay Plan, and the addition of a new position: staff attorney to assist the public safety departments (Police and Fire/Medical) with legal issues. The other areas of increase (Contractual Services and Commodities) are due to increased litigation expenses and computer upgrades, respectively.

CURRENT YEAR ACCOMPLISHMENTS

- Provided quality legal services to the City organization.
- Updated Code on City's website.
- Acquired property for numerous public improvement projects (rights of way, easements, temporary construction easements, etc.).

MAJOR GOALS AND OBJECTIVES FOR 2005

1. To professionally respond to the increased level of legal services demanded by our growing community. This must be done within limited resources and creative attempts to use technology to work smarter as well as harder.
2. To seek opportunities to pro-actively respond to legal issues facing the City organization.
3. To continue professional development in the municipal court and prosecutor functions seeking greater responsiveness and better results for the community.
4. To assist various city departments, in a legal capacity, in achieving the goals set by the City
