Media Release

LAWRENCE, KS – At 12:36 p.m. on this date, Lawrence Douglas County Fire Medical was dispatched for a single alarm structure fire located at 3121 Creekwood Drive. Initial crews reported an exterior fire with smoke emitting from the roof of a 2 story single family residence. After entry inside the structure, personnel found the fire had spread to the attic spaces and the fire conditions had changed. Crews were pulled from inside the structure and a defensive fire attack was initiated.

A second alarm was requested due to the elevated outdoor temperatures and humidity. The fire was declared under control at 13:35 p.m.

1 dog was rescued from inside the structure and there were no injuries of fire department personnel.

The American Red Cross is currently assisting the displaced occupants.

Fire investigators are still on the scene at the time of this release to determine cause and estimate of damages.
