Blastball!!!! Is a fast-paced game for kids that has the excitement
T-ball lacks.

Teaches baseball/softball fundamentals – hitting, running, throw-
ing and fielding.

**Parent (guardian) must participate with the child during the
instruction time.**

Emphasizes the importance of teamwork and sportsmanship.
Perfect summer activity for boys and girls pre-school aged.

Blastball!!!! **The Base-ics**

Two teams – one in the field and one at bat.

Blastball!!!! **The Game**

Each batter hits the ball past the fair distance marker and runs to the Blastbase --- **HONK!!**

When the ball is stopped by a fielder, he/she holds up the ball and yells **BLAST!!**

If the fielder yells **BLAST** before the batter honks the base the batter is out.

If the batter **HONKS** the base before the fielder yells **BLAST** the batter scores a run.

Coaches from both teams umpire the game – Out or safe is your toughest call!!

Games will be played at the conclusion of every session.
