The objective of LPRD's youth basketball program is to provide an opportunity for children to play basketball in an organized, competitive, yet recreational setting during the school year. Our emphasis will be teaching some basic skills and fundamentals, as well as teaching fair play, teamwork and sportsmanship. **Please be sure to indicate school and grade during the 2011-12 school year.**

**Teams & Leagues will be formed by current grade level and school each child attends.**

- Not all teams will be made up of children exclusively from the same school.
- Team assignment depends a great deal on who volunteers to coach and the school their child attends.
- One (1hr) practice time will be determined by the coach and will begin the week of October 24<sup>th</sup> (Registration & some leagues maybe limited depending on gym space available through the school district)
- Games will be held on Saturdays—November 5 through December 17, 2011. (Off Thanksgiving weekend).
