

Lawrence Parks & Recreation Volunteer Coaches Application

The Lawrence Parks & Recreation relies on volunteer coaches for all of our youth sports programs. The majority of our volunteer coaches are parents that have children participating. We do have on an occasion the need for volunteer coaches who have no children involved. If you are interested in being a volunteer coach and have no children participating in the program please fill out the information below and we will be in touch if we have teams who are in need of a coach.
