

TABLE B

Allowed Pesticide List 2010*

| Signal Word | Trade/Product Name | Active Ingredient | Type | typical use |
|---|---|---|-----------------------|---|
| Caution | Armicarb | Potassium Bicarbonate | Fungicide | control blackspot, powdery mildew on roses & flowers |
| Caution | Cleary's 3336F * | Thiophanate-methyl | Fungicide | to prevent fungal infection on pine trees and turfgrass |
| none required | Acelpryn | Chlorantraniliprole | Insecticide | control of grub worms, bagworms - no signal word required |
| Keep out of reach of Children | Conserve SC | spinosad | Insecticide | bagworm control |
| Caution | Dylox | Trichlorfon | Insecticide | turf grub worms |
| Caution | Merit 0.5G | Imidacloprid | Insecticide | to control grubs in turfgrass |
| Keep out of reach of Children | RTU Safer Brand Insecticidal Soap | Potassium salt of fatty acid | Insecticide | to control aphids, spidermites, caterpillars on flowers |
| Caution | Omni Oil 6E | petroleum oil parafin base | Insecticide/ Miticide | spidermites |
| Caution | DeltaGard | Deltamethrin | Insecticide | to control bagworms and other insects |
| EPA Exempt | Victor Poison-Free Wasp and Hornet Killer | Mint Oil Sodium Lauryl Sulfate | Insecticide | EPA Exempt Product |
| Caution | Wasp-A-Foam Advanced | d-trans allethrin & MGK® Permethrin | Insecticide | wasp and hornet nest spray - used on plants |
| Caution | Zep Wasp & Hornet Killer | Tetramethrin | Insecticide | wasp and hornet nest spray - non electrical conductor |
| Caution | Floramite SC | Bifenazate | Miticide | used in in rotation with other products to control spidermites |
| Caution | Hexygon DF | Hexythiazox | Miticide | used in in rotation with other products to control spidermites |
| Caution | Dimension | Dithlopyr | Herbicide | pre emergent to control annual grassy weeds in turfgrass |
| Caution | Power Zone | carfentrazone-ethyl MCPA,2-ethylexlester Mecoprop acid & Dicamba acid | Herbicide | post emergent selective control of broadleaf weeds like clover and dandelions in turfgrass |
| Caution | Dismiss | Sulfentrazone | Herbicide | post emergent control of yellow nutsedge in turfgrass |
| Caution | Primo Maxx | Trinexapac-ethyl | Herbicide | turfgrass growth regulator |
| Caution | 5% Treflan | trifluralin | Herbicide | pre emergent control of annual weeds in flower beds |
| Caution | Snapshot 2.5TG | trifluralin isoxaben | Herbicide | pre emergent control of annual and perennial weeds in landscape plantings |
| Caution | Surflan A. S. | Oryzalin | Herbicide | pre emergent control of annual and perennial weeds in fence lines, guard rails |
| Caution | Pennant Magnum | S-metolachlor | Herbicide | pre emergent control of yellow nutsedge, annual and perennial weeds in landscape plantings, fence lines |
| Caution | Ornamec | flusaflop-P-butyl | Herbicide | post emergent selective control of bermuda grass in landscape plantings |
| Caution | Sedge Hammer | Halosufuron-methyl | Herbicide | post emergent to control yellow nutsedge in turf and landscape plantings |
| Caution | Sucker Stopper | ethyl 1-naphthalenacetate | Herbicide | reduce sucker growth at base of crabapple trees |
| Caution | Remedy Ultra | triclopyr | Herbicide | post emergent control for lespediza |
| Exempt | Propane | Flamer torch method | Herbicide | weed burn down |
| Caution | GreenMatch | d-limonene | Herbicide | non selective herbicide - organic product |
| Caution | Round Up Pro | Glyphosate | Herbicide | post emergent non selective weed control |
| Caution | Mole Killer | Bromethalin | Rodenticide | mole control in turfgrass |
| Caution | DyneAmic * | modified vegetable oil and organosilicone surfactent blend | Additive | increased effectiveness of product |
| Caution | Water Wetter | Alkyl Phenol Ethoxylate | Additive | increased effectiveness of product |
| Products being added to approved list for 2010 | | | | Reason for addition |
| Caution | Freehand 1.75 G | dimethenamid -P pendimethalin | Herbicide | pre emergent control of yellow nutsedge,annual and perennial weeds in landscape plantings |
| Caution | Protect DF | Zinc ion & Maganese Bisithiocarbamate | Fungicide | curative fungicide for turfgrass |
| Products to be phased out as inventory is used up | | | | Reason for removal |
| Caution | XL 2G | benefin & Oryzalin | Herbicide | duplicate product |
| Caution | Nature's Avenger | d-limonene | Herbicide | high cost per application |
| Caution | Tordon RTU | picloram & 2,4-D | Herbicide | 2,4-D product |
| Products being removed from approved list for 2010 | | | | |
| Keep out of reach of Children | Dipel | Bacillus thuringiensis | Insecticide | |
