

## 2010 SUMMER/FALL ACTIVITIES GUIDE

Strike up the band! It's time for summer! Besides baseball, America's favorite pastime, and picnics in the park, Lawrence's history is rich with many summertime activities. One of the most prominent is the Lawrence City Band, which started shortly after settlement of Lawrence in 1854. For eight weeks in the summer on Wednesday nights, you can take in a free band concert in historic South Park.

You can also find a lot of fun summer and fall activities offered by Lawrence Parks and Recreation Department listed throughout this *Activities Guide*. With more than 450 programs and activities to choose from, Lawrence Parks and Recreation has the beat to keep the tempo moving into next year.
