GOLF DIVISION

TWO-DAY GOLF CAMP

Ages: 11-17. Enrollment Min 8 / Max 20. This academy offers four hours of instruction over two days. The program helps juniors improve, as well as have fun, as they develop fundamentals and sound values. Our program covers putting, chipping, pitching and full-swing techniques. *Students will be grouped by age and ability. Beginner instruction is for juniors ages 11 to 17 who have NOT participated in lessons at Eagle Bend Golf Course & Learning Center. Advanced instruction is for juniors ages 11 to 17 who have participated in junior lessons at Eagle Bend in the past.*

RECREATION INSTRUCTION DIVISION

ADVANCED GAME DESIGN — PLATFORM AND ARCADE GAMES ^{NEW}

Ages: 10-17. Enrollment Min 3 / Max 5. Prerequisite: Video Game Design. This class offers a more advanced look at video game design. It will be offered as an independent study in conjunction with the game design class. Students enrolled will take part in daily challenges and begin working on the development of 3-D games. Students will develop platform and arcade-style games that they can share with their friends and family. **Instructor: Youth Tech Inc.**

CRAZY CHEMISTRY/JUNIOR ENGINEERS

Ages: 6-12. Enrollment Min 12 / Max 20. In this workshop we investigate the chemical reactions happening all around us every day, in the kitchen, the laundry, the garden, even the walls! Young scientists will build crystals; make sidewalk chalk, bath fizzers and a chromatograph T-shirt; investigate water-absorbing chemicals; and use chemical reactions to make their own ice cream. Young engineers will be building and testing structures out of lots of different materials! They check out pyramids, arches and inflatable beams; test the strength of eggs; and build bridges and skyscrapers. In between, children will have fun playing games and puzzles with shapes and structures. **Instructor: Mad Science of Greater Kansas City.**

CREEPY CRAWLY ECOLOGY MEETS ANIMAL WORLD ^{NEW}

Ages: 4-6. Enrollment Min 8 / Max 20. Welcome to the wonderful world outdoors! Use microscopes to investigate plants, animals and insects. Create tie-dye designs using nature's beautiful colors, and play the role and develop the skills of a naturalist tracking animals in the wild. Thanks to Animal Wonders and their live birds, we will discover the science of ornithology by investigating different species of birds and how they fit into their own niches in the environment. **Instructor: Mad Science of Greater Kansas City.**

OUTDOOR EXPLORERS ^{NEW}

Ages: 4-6. Enrollment Min 8 / Max 20. This camp offers children ages 4 to 6 an exciting introduction to basic environmental science. Each session is devoted to different aspects of the outdoors, allowing children to progressively enrich their understanding of how living things grow and how they interact with the environment around them. During the session, children will perform hands-on experiments, play themed games, and enjoy a snack and story related to the theme for that day. A mural will grow through the course of the program as children illustrate their latest discoveries at the close of each session. *Topics: Soil & Seeds; Sun, Wind & Rain; Plants & Leaves; Flowers, Fruits & Vegetables; Butterflies, Ladybugs & Bees.*

SPECIAL POPULATIONS DIVISION

UNIFIED DAY CAMP

This is a fully integrated camp for youth with and without disabilities. Register for a week at a time or for the entire summer. Youths gain socialization, exercise, integration and the opportunity to have a summer filled with friends and fun. Eight one-week sessions from noon to 4 p.m. Monday through Friday. A structured program with different activities scheduled weekly. Itinerary of daily activities includes: Monday and Wednesday activities at centers; music, dancing, basketball, acting, arts and crafts; Tuesdays and Thursdays swimming at the Outdoor Aquatic Center; and Fridays going on in-town field trips. Children must be registered at least one week in advance or for the entire summer. *Staff to child ratio is 1-4.*

This is NOT one-on-one. Parents are encouraged to send attendants for those participants who need additional assistance. Bring a sack lunch daily or utilize the Lawrence Summer Food Program available at both sites. Junior Camp is for ages 5 to 12, located at ELRC; Senior Camp is for ages 13 to 21, located at the Community Building. No camp 7/2, 7/5.

LAWRENCE CEMETERIES

The city's Parks and Recreation Department operates Oak Hill, Maple Grove and Memorial Park Cemeteries. Space is available at no charge for veterans in our Veterans Plot. For fees and further information, contact

the cemetery office located in Memorial Park Cemetery, 1517 E. 15th St., Monday through Friday, 8 a.m. to 12 p.m. or call (785) 832-7955.

XERISCAPE BY DESIGN

Wednesday, April 14, 6 p.m. to 8 p.m. Union Pacific Depot, 402 N. Second St. Learn how to design attractive, low water-using landscapes for existing and new areas. The session is free and open to the public. For more information, contact the Parks and Recreation Department's Administrative Office at (785) 832-3450.

XERISCAPE GARDEN PARTY

Thursday, July 1, 6 p.m. to 8 p.m. Lawrence Rotary Arboretum, 5100 W. 27th St. Stop by the Rotary Arboretum and Waterwise Garden area and learn about Xeriscaping. Take a guided tour and learn how a landscape can be colorful and save water. The party is free and open to the public. The Waterwise Xeriscape Garden is a joint collaboration of Parks and Recreation and the city's Utilities Department. For more information, please contact the Parks and Recreation Department's Administrative Office at (785) 832-3450.

GARDEN STROLL AND TREE TRACKING

Tuesday, September 21, 6 p.m. to 7 p.m. Lawrence Rotary Arboretum, 5100 W. 27th St. Stop by the Rotary Arboretum and Waterwise Garden area and learn about Xeriscaping. The tree trek and garden stroll is designed for the public to learn more about Waterwise gardening methods using native plants as well as adapted trees for Kansas. The Waterwise Xeriscape Garden is a joint collaboration of Parks and Recreation and the city's Utilities Department. For more information, please contact the Parks and Recreation Department's Administrative Office at (785) 832-3450.

WOODCHIP SALE

Lawrence Parks and Recreation Department holds two woodchip sales a year. Dates include Thursday to Saturday, October 7-9. Hours will be:

- Thursday, October 7 — 8 a.m. to 3 p.m.
- Friday, October 8 — 8 a.m. to 3 p.m.
- Saturday, October 9 — 8 a.m. to 4 p.m.

The woodchip sale takes place at the LPRD Forestry Division facility at 1420 E. 11th St. The sale is held rain or shine. **Cost is \$10 per pickup load; the price will be more for larger trucks.** The woodchip sale is held to eliminate woodchips generated by the department throughout the year. Parks and Recreation doesn't purchase mulch; instead it recycles trees that are cut down throughout the city. The trees are then run through a chipper and used as mulch.
