## KANSAS BIKE SAFETY CODE

- Always wear a proper fitting helmet approved by ANSI, SNELL or ASTM, and wear it forward over your forehead
- Have a light on the front and a light or reflector on the rear of your bicycle and reflectorized pedals as required by Kansas law. Always turn the lights on at dusk or when riding through rain, snow or fog
- Keep two feet from curb or edge of roadway and ride in a straight line, never more than two abreast, as required by Kansas law. If you want to be safe in traffic, you have to act like a motor vehicle driver. Observe and obey all stop signs, traffic signs and signals – the same as required of motor vehicles by Kansas law. Always ride carefully and stay alert.
- Give hand signals at any location when changing the direction of the bicycle, and always dismount at the curb or far right side, as required by Kansas law. Be predictable.
- Always give pedestrians the right of way. Never ride on the sidewalks in business districts. Avoid using sidewalks, otherwise use extra care.
- Never carry more riders than what the bicycle is designed for, and never carry items that obstruct vision or prevent proper control of the bicycle.

- Never attach yourself or the bicycle to any moving vehicle or attempt fancy or trick riding or any sort of game playing on any street. Never take both hands off the handlebars at the same time.
- All bicycle riders must stop before coming out of private driveways, alleys, or filling stations the same as required of motor vehicles by Kansas law. Pay attention and ride defensively.
- Be sure your breaks are operating efficiently and that your bicycle is in perfect running condition by frequently checking all parts.
- Never ride upon anything other than the permanently attached seat the bicycle was designed for, as required by Kansas law.
- Never weave in and out of traffic or swerve from side to side. Never make a sudden turn or U-turn without carefully looking first. Ride with the flow of traffic.

## LAWRENCE BIKE REGULATIONS

- Bikes may not be ridden on any sidewalk within a business district or within 100 feet of a store, place of business or place of assembly.
- Bikes shall not be parked on the street or in alleys in a manner that obstructs or endangers pedestrians or vehicle traffic.
- Lawrence residents are encouraged to license their bicycles with the Police Department, 111 E. 11th St., 841-7210.

## PEDESTRIAN SAFETY TIPS

- Walk to the right on recreational paths and be aware of faster moving traffic.
- Be visible. Wear light-colored or reflective clothing, especially in dim conditions or at night.
- Be alert at intersections. Always look both ways before crossing the street and use crosswalks.
- If you must walk in the street, face oncoming traffic.

## PATH USE TIPS

- Travel on the right side of the path.
- Pass on the left.
- Announce you are passing by saying "On your left."
- Slow down in traffic.
- Bicyclists yield to pedestrians.
- Keep dogs on leash and away from others.
