RECREATION INSTRUCTION DIVISION

CRAZY CHEMISTRY/JUNIOR ENGINEERS

Ages: 6-12. Enrollment Min 12 / Max 20. In this workshop we investigate the chemical reactions happening all around us every day, in the kitchen, the laundry, the garden, even the walls! Young scientists will build crystals, make sidewalk child, bath fizzers and a chromatograph T-shirt, investigate water absorbing chemicals, and use chemical reactions to make their own ice cream. Young engineers will be building and testing structures out of lots of different materials! They check out pyramids, arches, inflatable beams, test the strength of eggs, and build bridges and sky scrapers. In between, children will have fun playing games and puzzles with shapes and structures. **Instructor: Mad Science of K.C.**

SPECIAL POPULATIONS DIVISION

UNIFIED DAY CAMP

This is a fully-integrated camp for youth with and without disabilities. Register for a week at a time or for the entire summer. Youth gain socialization, exercise, integration and the opportunity to have a summer filled with friends and fun. Eight one-week sessions from 12-4 p.m. Monday – Friday. A structured program with different activities scheduled weekly. Itinerary of daily activities includes: Monday and Wednesday activities at centers; music, dancing, basketball, acting, arts and crafts; Tuesdays and Thursdays swimming at the Lawrence Outdoor Center and Fridays in-town field trips. Children must be registered at least one week in advance or for the entire summer. *Staff to child ratio is 1:4. This is NOT one-on-one.*

Parents are encouraged to send attendants for those participants who need additional assistance. Bring a sack lunch daily or utilize the Lawrence Summer Free Lunch Program available at both sites. Junior Camp is for ages 5-12, located at ELRC; Senior Camp is for ages 13-21, located at the Community Building. No camp 7/3.
