

# LAWRENCE ENERGY CONSERVATION FAIR 2009

Saturday, September 12<sup>th</sup>, 2009  
Community Building, 115 W 11<sup>th</sup> Street

## SCHEDULE OF EVENTS

**10 a.m.** Lawrence Energy Conservation Fair opens with exhibits.

**10 a.m.** Sustainable Homes and Business Tour bus departs for AM Tour.

**11 a.m.** PERFORMANCE: Stan Slaughter, the Eco-Troubadour, performs warm and lively music that teaches his audience about environmental issues, including solid waste and recycling, composting, and household hazardous waste. The performance includes well-known and original environmental songs, including sing-alongs like Landfill Blues, Don't Let the Goo Get You, and the Recycle Shuffle.

**12 p.m.** SPEAKER: Alternatively Fueled Vehicles: Join Steve Stewart, City of Lawrence Fleet Manager, as he provides information on the solar panel installed on one of the city's ambulances and the new electric vehicles on the market.

**1 p.m.** PERFORMANCE: Stan Slaughter, the Eco-Troubadour.

**1 p.m.** Sustainable Homes and Business Tour bus departs for PM Tour.

**2 p.m.** SPEAKER: Part 1 - Three Steps to an Energy Efficient Home: Join Mark Freeman, owner of GreenTech Efficiency Solutions, to learn how to choose the right solutions that produce the greatest return on investment. Part 1 includes information on energy audits and energy renovations.

**3 p.m.** SPEAKER: Part 2 - Three Steps to an Energy Efficient Home, Mark Freeman. Part 2 includes information on energy renovations and solar power.

**4 p.m.** Exhibits close.
