The purpose of the Product Reuse Program is to use up products as intended in order to promote the reduction of household hazardous waste entering the local landfills and to reduce the disposal fees of hazardous waste.

Products are available FREE OF CHARGE with the understanding that the products:

- Will be used in accordance with the manufacturers' instructions.
- Will be disposed of properly.
- Will not be used for resale or commercial use.
- Will be the sole responsibility of the recipient to substantiate the quality, expiration date and fitness for use.

LATEX PAINT

Leftover latex paint is mixed into 5-gallon buckets. If you are in need of White Latex Paint please call the Recycling Staff at 832-3030 in advance. This item is quite popular!

The City of Lawrence Waste Reduction and Recycling Division operates and promotes reuse, recycling and the safe disposal of household hazardous materials.
