Re: Transportation Enhancement, Lawrence Santa Fe Depot

Dear Secretary Miller:

Please find attached from Diane Stoddard, Assistant Manager, City of Lawrence and Carey Maynard-Moody, Chair of Depot Redux, material they provide in reference to a grant application for Transportation Enhancement Funds. As you can see, the city is working with this group of supporters who wish to preserve this worthy, historic and active depot.

The Santa Fe depot, built one hundred years after its predecessor, is a true landmark, and its preservation as such along with its continued use will ensure it plays a pivotal role in Lawrence and Kansas. I would be most appreciative if you give this application full and fair consideration consistent with applicable laws and regulations.

Very truly yours,

DENNIS MOORE
