

**AGENDA: TSC 10/5/15**

ITEM NO. 9: Consider establishing STOP signs on the 23<sup>rd</sup> Street Frontage Road at the access point west of O'Connell Road.

Staff Report:

1. When VenturePark opened, it included a connection to the 23<sup>rd</sup> Street Frontage Road via Venture Park Way, where little, if any, traffic existed before.
2. With additional traffic on the Frontage Road, it is necessary to provide control since it is very difficult for westbound traffic on the Frontage Road to see westbound traffic on 23<sup>rd</sup> Street that is turning onto the Frontage Road.
3. It is recommended that STOP signs be established on the Frontage Road at the access to 23<sup>rd</sup> Street.
