

# TRANSPORTATION 2050

[www.lawrenceks.org/mpo/t2050/](http://www.lawrenceks.org/mpo/t2050/)

Transportation 2050 will be the blueprint for our future transportation system, which serves Lawrence, Eudora, Baldwin City, Lecompton, and unincorporated areas of Douglas County.

## PLANNING PROCESS

Collect & analyze existing transportation data & user experiences

Set goals & priorities

Assess transportation needs & financial resources

Develop draft project list & funding scenarios

Solicit public preference on priority projects & strategies

Develop draft plan document

30 Day Public Comment Period

Plan Adoption March 2023
