Goal 1: Identify, evaluate, and preserve our historic resources while providing for a context sensitive evolution of the neighborhood.

Example Policies and Objectives

- **Complete** a historic resources survey for the neighborhood.
- **Identify** areas and properties that should be designated historic.
- **Identify** programs that can provide financial support for maintaining historic resources.
- **Encourage** the rehabilitation and reuse of historic structures in the neighborhood.

Goal 2: Improve access to existing open space and recreation assets; expand and improve amenities and facilities.

Example Policies and Objectives

- **Connect** East Lawrence residents to parks within the neighborhood and adjacent neighborhoods.
- **Connect** East Lawrence to the Kansas River.
- **Expand** connections to Burroughs Creek Multi-Use Trail
- **Explore** wayfinding in neighborhood to public destinations and amenities.

Goal 3: Parks and places that provide community centers for the neighborhood should be maintained, supported, and expanded when possible.

Example Policies and Objectives

- **Support** the rehabilitation of the Municipal Stadium at Hobbs Park.
- **Identify** a continuous neighborhood use for the Murphy-Bromelsick House.
- **Expand and Promote** public and private structures to provide for neighborhood events.
- **Explore** opportunities to create collaborations to financially support neighborhood parks and community centers.
